"Don't be scared to take a chance on yourself. I've been working in healthcare administration for 25 years. I was a little concerned about how I would be able to handle it, but my academic counselor was great, the instructors were very helpful and it was just really easy to navigate."

NOTES:

*Three credits of this certificate are earned at no cost via Coursera courses.

**Cost is based on 15 credits needed to complete the Quality Service Management certificate after earning the Client Service certificate resulting in students possessing two certificates.

***Students who earn the Medical Billing certificate need just 12 additional credits to earn the Medical Coding certificate, which will significantly reduce the cost of the Medical Coding certificate and result in students possessing two certificates.
